

**FITTING INSTRUCTION**

Part Number APC90 Arcadian Rollers and Spindles for Cardale Retractable Doors.

**WARNING** Work should be carried out with the door in the fully open position when the spring tension is at its minimum.

All work is carried out from within the garage therefore ensure all tools required are at hand.

- 1 Open the door fully and securely place a prop under the corner of the door where you wish to change the roller and spindle. Loosen the rear of the track. If the track has a centre support this will have to be loosened also.
- 2 Remove the old roller and spindle and replace with the new one. Make the track secure again in the same position.
- 3 Repeat steps one and two for the other roller and spindle.

**ALL WORK IS UNDERTAKEN AT THE OWNERS RISK**
